BI-FOLD DOORS »

Experience the true meaning of open living when you select the G.James 477 Series Bi-fold Door. By combining the latest hardware technology with the uncompromising strength of heavy duty profiles, you can now enjoy uninterrupted views and the ultimate sensation of 'bringing the outdoors indoors'. The innovative lever handle, fitted as standard, is simple and convenient to operate with a single action releasing both top and bottom locking bolts.

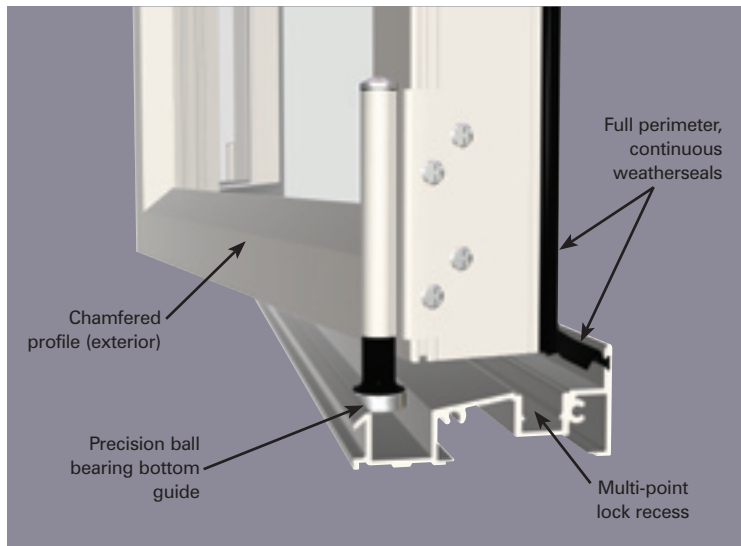

477 SERIES

» BI-FOLD DOORS

» The unique 'slide and stack' feature of this bi-fold door gives you the flexibility to adjust your opening configuration to suit your individual access or entertaining requirements. For further information relating to the possible configurations and other important considerations refer to the G.James *Residential Product Selector*. G.James is an Accredited Member of the Australian Window Association Product Accreditation Program and an environmentally aware organisation.†

† G.James residential extrusions are manufactured in Australia from billet produced using recycled aluminium. This billet requires approx 90% less power to produce than primary billet.

Features:

- Top-hung panels and a precision ball bearing roller/guide system promote smooth operation and extended service life
- Wide range of configurations including service leaf, 'slide and stack' and internal stacking options*
- Full perimeter, continuous weather seals provide a high degree of weatherproofing and acoustic performance
- Robust profiles ensures suitability for large panels, even in high wind load and exposed positions.
- Single action lever handle operates multi-point locking function†
- Internally fitted, retractable roller flyscreen available
- 7 year 'peace of mind' guarantee*

* Conditions Apply

† Keyed deadlock option available (additional cost)
